Java client jar integration issue	2

## Fixed Issues

### Java client jar integration issue

(CDQE-79108) Spectrum 18.2 Java client jar integration issues.

## Installation

To install this product update you must have Spectrum™ Technology Platform Client SDK 2018.2 installed.

**Important:** Before you install this product update, be sure that you have installed all previously-released product updates for your modules and the platform. Unexpected issues may occur if you do not install product updates in the proper order. For a listing of product updates for each module and the platform, see the [Product Update Summary](https://support.pb.com/spectrum) on [support.pb.com/spectrum](https://support.pb.com/spectrum).

### Installing on Unix or Linux

**Note:** In this procedure, *Spectrum\_Client\_SDK* refer to the directory where you have installed the Spectrum™ Technology Platform Client SDK.

1. Stop all the applications that are accessing the Spectrum™ Technology Platform Client SDK server.
2. Back up this file to a different location:

```
<Spectrum_Client_SDK>\ClientAPI\platforms\java\lib  
\glclientSDK-18.2.jar
```

3. Download the *.zip* file containing the patch from the Pitney Bowes eStore.
4. FTP the *sdk20182s01.tar* file in binary mode to a temporary directory on the Spectrum™ Technology Platform Client SDK machine.
5. Change to the directory to `<Spectrum_Client_SDK>`.
6. Untar the file using this command to the:  

```
tar -xvf TemporaryDirectory/sdk20182s01.tar
```
7. Start your applications that access the Spectrum™ Technology Platform Client SDK.

## Installing on Windows

**Note:** In this procedure, *Spectrum\_Client\_SDK* refers to the folder where you have installed the Spectrum™ Technology Platform Client SDK server.

1. Stop all applications that are accessing the Spectrum™ Technology Platform Client SDK.
2. Back up this file to a different location:

```
<Spectrum_Client_SDK>\ClientAPI\platforms\java\lib  
\glclientSDK-18.2.jar
```

3. Download the *.zip* file containing the patch from Pitney Bowes eStore.
4. Extract the contents of the patch zip file to a temporary location.
5. Extract the resulting zip file (*sdk20182s01.zip*) to the folder where you installed the Spectrum Client SDK. For example, *C:\Program Files\Pitney Bowes\Spectrum ClientSDK*.  
Choose to overwrite the existing files.
6. Start your applications that access the Spectrum™ Technology Platform Client SDK.
